

CONB-1-S

CONB-2

CONB-3-R

APSCO manufactures a range of consoles to house its VM Series, single axis, and dual axis controls. The VM consoles are made of 14 gauge steel with a textured black powder-coating.

Cut outs for a rocker switch and indicator light are available in the 2 and 3 bank consoles. Plugs and blanks are available to cover openings not used.

[VM Series Valves.](#)

VM CONSOLE ASSEMBLY PART NUMBERS

PART#	CONSOLE ACCOMMODATES	HEIGHT	WIDTH	LENGTH
CONB-1-S	VM-7	13.00"	4.56"	5.25"
